Certification programs are free for WSAVA tier 1 members

The Webinar Vet

The Webinar Vet's Virtual Congress is the world's largest online veterinary congress.

WSAVA tier 1 members can register for the Virtual Congress, free of charge.

Benefits to Associations

Attending a WSAVA World Congress

Your association's Assembly Representative will receive complimentary World Congress registration and invitations to social functions, as well as taking a seat and voting on WSAVA matters at the annual WSAVA annual Assembly meeting. Your association will also have the use of a meeting room at World Congress (including a/v equipment) for a one-day pre-congress meeting*

* offer available on a first come, first served basis (costs depending on workshop)

Hosting a WSAVA World Congress

Any full member association in good standing can submit a bid to host World Congress. It is always a high profile event with many of the world's leading veterinarians attending as speakers and delegates

The opportunity to nominate WSAVA Award recipients

Each year, the WSAVA Awards are presented to veterinarians chosen by an international panel of experts from nominations made by member associations so they represent an ideal opportunity to recognize leading veterinarians in your country for their work

The opportunity to play your part in the Global Veterinary Community and support the development of our profession globally

WSAVA Secretariat Office

72 Melville Street
Dundas, Ontario
Canada L9H 2A1
Tel: +905.627.8540
Fax: +905.627.8425
Email: wsavasecretariat@gmail.com

Many associations donate their expertise or financially to WSAVA activities spanning the globe and which support the development of the profession and increasing standards of veterinary care for companion animals. As a member, your association will also be contributing to the WSAVA's global voice and advocacy on issues related to companion animals and will benefit from:

- Access to the WSAVA's global network of companion animal veterinarians
- A page on the WSAVA website on which you can highlight activities, CE events, and services to the global companion animal veterinary community

The opportunity to create or participate in a WSAVA Global Outreach program

This is a volunteer veterinary initiative held annually alongside World Congress and which proves popular with delegates from around the world

The opportunity to organize a WSAVA CE event

WSAVA provides support for continuing education seminars/workshops/webinars and activities if your association lacks the resources to set these up for your members. Tier 1 Members receive the largest support

The opportunity to hold a WSAVA One Care workshop

WSAVA One Care is an exciting initiative aimed at encouraging all of our member associations around the world to set achievable standards for veterinary practice in their country. We provide support and resources to enable your association to do this

The opportunity to utilize work of the WSAVA Committees and Standardization projects

Through our committees and working groups, we collaborate with veterinary scientists in all fields to enhance knowledge of specific topics relevant to the veterinary clinician. Most of our resources are available for free download on our website and include:

- Global Veterinary Vaccination Guidelines for dogs and cats
- Global Nutrition Guidelines for dogs and cats
- Global Pain Guidelines for the assessment and management of pain in animals
- WSAVA textbook on the diagnosis and classification of liver diseases
- WSAVA Guidelines on the diagnosis and classification of gastrointestinal diseases
- WSAVA Hereditary Disease database
- WSAVA Diagnostic Standards for renal diseases
- WSAVA Animal Welfare Guidelines

Incentives and special offers to help your association attract new members

Our growing number of Educational Partners offer free or preferential rate pricing to members of our member associations so make sure your members take advantage of them

The opportunity to join the WSAVA committees and working groups

All committee and project volunteers are drawn from our member associations and the WSAVA Leadership and Nomination Committee accepts applications year round from any member. We welcome new volunteers who then have the opportunity to work with colleagues from around the world
