  Broadcasts and availability of video records for viewing .......................................................................................13

All lectures that have already been broadcasted will become available for viewing in 31 days after the last day of the stream and will remain accessible for 31 days. Please follow the link to see the program and the dates: https://nvc.moscow/en/conference/nvc-2020/programme/
Registration and payment brief description

Go to [https://nvc.moscow/en/](https://nvc.moscow/en/)
Click on RGSTRTN in the top menu
Create a user account with a **user name** and **password** that you will use to list to lectures in the future
Press the **Log in** button
Type in the coupon code in the **Enter coupon** field
Select the streams and press **Register**
You will be redirected to the page with your registration details. Press **Forward**
Fill in all fields with * and press **Forward**
If you have to pay for the registration, make the payment on the next page and press **Confirm Registration**
Should you have any questions or need help with registration, please contact our customer service specialist **Olga Vasyukova olga.vasyukova@nvc.moscow**.

For a detailed description of the process, please refer to the instructions below:

**Registration with coupons for 100% discount:**

   Fill in the registration details and press **Register**

   ![Image of registration form]

2. If you wish to register for specific streams immediately, return to the Registration page
3. If you have a coupon for a 100% discount, enter the coupon code and press **Apply**

4. You will see a message saying that you have activated your coupon and the discount is 100%.
5. Select the stream(s) you would like to attend. Press Register.

6. You will be redirected to the Registration Confirmation area. Check the box below to confirm that you agree to personal data processing and press I accept.
7. You will be forwarded to the registration finalization page. Press **Forward** to complete the missing details.

8. Fill in the missing details (the city, the place of work)
9. Press **Forward** to proceed to the registration confirmation. Press **Confirm registration**

https://nvc.moscow/en/personal/order/make/

10. You will see a confirmation of your registration for the stream(s).
11. Depending on the time, you will be able to watch the broadcast immediately or return to watch it later. The @broadcast button is seen in the top menu of the website during the broadcasts.

12. After successful registration you will get an email confirming that you can attend the stream(s) online.
13. If you need to leave the website and return later, enter the login and password you used for the registration [https://nvc.moscow/en/for-visitors/register/](https://nvc.moscow/en/for-visitors/register/).

At the same time with the conference, we will hold a virtual exhibition where exhibitors will present the state-of-the-art equipment, medications and services. During the exhibition, sponsor/thematic webinars and satellite streams will be held. We will also organize thematic quests and prizes for their winners.

**or login clicking on the Personal Account icon**
Registration with coupons for EUR 5 discount:

If you have a coupon for a EUR 5 discount, follow steps 1-3. Once you have applied the coupon, you will get the coupon activation message indicating the amount of the discount. When you select the stream, you will see the price reduction at the bottom of the page.

You have activated a coupon - NVCM03999
Discount - 5€ per stream
