Overview of activities in 2021

In 2021 the PWG held several meetings and activities:

1. PWG Webinar – 3rd of March 2021
2. Wellness Stream - Virtual 45th WSAVA Congress
21st to 24th March 2021
3. Wellness Stream - Virtual 46th WSAVA Congress
13th to 6th November 2021
4. Committee Meetings to develop guidelines
5. Incorporated 3 new members

Planned activities for 2022

The PWG’s major project in 2022 is the creation of the WSAVA Global Wellness Guidelines. They are currently undergoing editing with the aim of having them in final form by October 2022 and launched in early 2023.

The PWG hosted a webinar on Diversity, Equality and Inclusion and it plans to host a further webinar to preview the new Wellness Guidelines in October 2022.

The PWG is also working on manuscripts for publication following the global survey into wellness it undertook in 2018-2019.
